

Cheek Praise & Prayer Update

Dear Faithful Prayer and Financial Support Team Members,

THANK YOU so much for your ongoing prayers, encouragement, and financial gifts you send to UIM for our UIM ministry assignment as the International Representatives and/or the Cheek Travel Project.

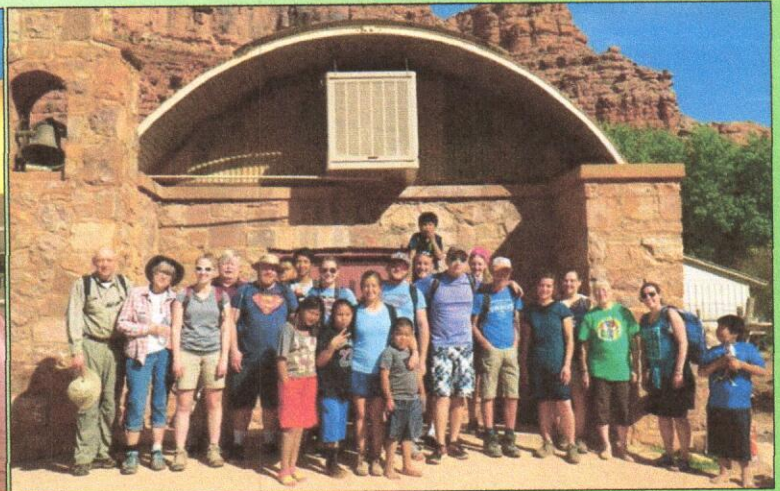

Since our last letter Carol's digestive system problems have been improving. We are thanking God that her physical stamina is returning.

This summer we are planning to move from Redmond, Oregon, to LaGrange, Wyoming, in order to again pursue a closer partnership in ministry with Frontier School of the Bible and UIM. Please pray for our house to sell and for the purchase of a house in LaGrange.

For the past fourteen years UIM and Frontier School of the Bible have partnered in offering FSB students the opportunity to serve on a UIM short-term mission team during the FSB spring break. Eleven UIM STM teams have served and sixty-seven students have participated, including nine this year. We've also offered students opportunities to serve a mission internship with UIM during the fourth FSB school year. Ten interns have served and two more students are considering internships.

It is amazing to see how God has led each student over the years. Please pray the LORD of the Harvest to send out these workers and many more to where He needs them locally or globally.

Please be assured of our love and prayers.

In Christ's love,

Warren & Carol
