Dear Brothers & Sisters in Christ:

I want to personally THANK YOU EACH ONE for your continued interest in the Northern Village Ministries. Your interceding prayers and financial gifts are the support beams of this work.

We indeed do live in a troubled sin sick world today, but Praise God! He always shares with us His great concerns and His perfect directions.

Mathew 9:36-38

36: But when He saw the multitudes, he was moved with compassion on them, because they fainted, and were scattered abroad as sheep having no shepherd.

37: Then saith he unto his disciples the harvest truly is plenteous but the laborers are few;

38: Pray ye therefore the Lord of the harvest, that he will send forth laborers into his harvest.

His words are always spoken with great clarity, are they not?

An answer to God's calling and opened doors, Northern Village Ministries are in their final planning stages for the summer outreach, to northern Saskatchewan Canada's First Nation's Villages.

The teams will leave June 30th, Lord willing, for Grandmother's Bay and Stanley Mission. The teams will spend one week in each village, with the possibility of two weeks in Stanley Mission, if enough of the team can stay longer.

The teams of Sucker River and Air Ronge will be leaving July 7th. They will stay one week in Air Ronge and those going to Sucker River and stay two weeks.

We are waiting for someone to come and tell us

the truth about Jesus from the Bible

The teaching material for the children will be taken from the Parables. On day 1 Thankfulness, day 2 Kindness, day 3 Forgiveness, day 4 Grace, and day 5 Faithfulness. The lessons will be given each morning along with the weekly memory verse found in Psalm 25:4-5 New Living Translation and a very clear Gospel invitation will be given at the end of each lesson.

In the evenings, the children's lessons will continue with the themes of that morning using this opportunity to help them learn how to use their Bibles by looking up the verses that relate to the morning's theme, underlining and explaining each verse. New Bibles are always given to the children who do not have a Bible.

Every day adult studies and teenage studies will also be conducted. At this time, I do not know what they will be teaching these groups.

The price for each volunteer is four hundred dollars. Of course this is a burden for some of the younger volunteers. It is a requirement for each one to be at least sixteen years old. If God lays it on your heart to share in some of these expenses, not matter how small the gift, or if you would like to designate your gift for a particular person, you may do so by sending your contributions with the person's name on a separate piece of paper to:

In His Love and Mine,

Pat

I thank you each one for your love and care that I receive from the Berean Church Fellowship and for your interest in Gods ministry in the North and your support and Prayers.

Pat

Praise

1. For another year of opportunity to serve with Northern Village Ministries to reach the lost and encourage those who have trusted Christ as their Savior.
2. Good attendance at the training classes.
3. For the courage to form smaller teams that will enable them to reach another Village in Air Ronge.
4. Good teaching materials and the teachers God provided for each day.

Prayer Request

1. Against Satan from interfering with each leader and team members as they make preparations for this God given opportunity regarding doubts, discouragements, fears, timing, and finances, ect.
2. Forming smaller teams will put pressure on each member to take on more responsibilities, pray for them as they most likely will each be pushed out of their own comfort zone where God will really be able to use them.
3. That each person on every team will allow God to mold them together in regards to their attitudes and compassions for one another, as well as, for those they come to serve.
4. For vehicles and drivers to make this two and a half day trip, they will stop two nights to sleep and stock up on fresh groceries in Canada for a half day before traveling on to their different Villages.
5. Pray that the people they are being sent to serve will have allowed God to prepare their hearts for the Message God has for them.

THANK YOU for praying, giving and coming!
