

# Students for Their Next Step in God's Mission

*"Last year's Winter Conference radically changed my life in areas of my life that I had held back from God. This year I'll go on a summer mission!" -Melanie*

**Indianapolis was one of six cities that hosted a total of 10 Winter Conferences this year.** [Winter Conferences](#) focused on equipping students, wherever they are on their journey, to grow closer to Jesus. They are a place where students are challenged to take their next step in making an impact.

Students were trained how to share the good news of the gospel at the conference. They were sent out to take steps of faith and have conversations in Indianapolis, and then back on campus. **As a result, 71 people who heard the gospel indicated they accepted Jesus, so far!**

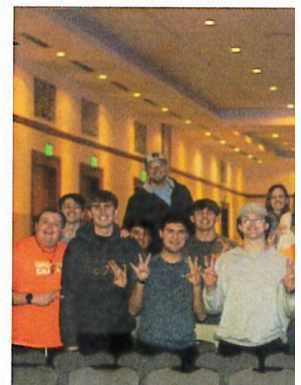

For those who experienced Jesus in a personal and unique way, here are a few of the things they shared from their testimonies:

*"On the last night, during the last session I gave my life to Christ and I am so grateful for the love and support I received from everyone."*

*"Last year at Winter Conference I received Christ. So this Winter Conference was my one year of being a believer. I loved seeing the way God has moved me and everything he has done in my life since then such as giving me a mission and helping me lead others. Now, I am fully surrendering my anxiety to the Lord and I'm ready to see where he takes me next!" -Heather*

*"The Spirit has instilled joy in my heart at being able to go out and share the gospel, something I've never really experienced before. I'm excited to go back and share the gospel with others on my campus."*

We rejoice for the awesome ways God is at work in students' lives! He is changing and raising up lifelong laborers for the Kingdom of God. Thank you so much for your prayers, and your generosity that make that possible.
