

# An Update from the Cramers

MARCH, 2024

## Prayer

- Please pray that as Shayna embarks on a new season of ministry in FamilyLife that she would build trust quickly and have wisdom as she leads in a new capacity
- Praise God a new evangelism tool Shawn facilitated a team in designing is now available on the God Tools App. You can learn how to use Seen. Known. Loved. on YouTube. Pray for people to come to know Jesus through this tool!

## A New Season

After nearly 20 years of being part of God's work in the Campus Ministry of Cru, and nearly 5 years in my latest role, I (Shayna) have been recruited to take a new role as Vice President of Culture and Development in Cru's FamilyLife Ministry. The trajectory of FamilyLife has been nothing short of exhilarating in recent years, as it undergoes a metamorphosis from a traditional resource hub focused on marriage content, retreats, and parenting to a dynamic force in evangelism— harnessing the power of families to share the gospel and revolutionize their surroundings. I'm so excited to play a part in the incredible ways God is working through the universally relatable conduit of families!

It's been deeply moving to hear new, incredible stories—like staff receiving envelopes in the mail containing the ashes of burned-up divorce papers, and witnessing the breaking of generational strongholds. Additionally, it's inspiring to see passionate, dedicated leaders who have devoted their lives to seeing *every home become a godly home*. It's with immense gratitude for your continued partnership that I begin this new journey, knowing that your prayers and generosity play a vital role in seeing this vision become a reality!

*Kylie celebrated her 11th birthday on March 2nd with friends, pool time, and lots of ice cream*

*Shawn's dad took Jace and Kylie on an art and history tour of our hometown over spring break*
