

Hey friends!

We thank God for each and every one of you. You have been our support system through prayers and finances. Our ministry at camp would not exist without you.

Every year at camp brings its challenges and opportunities to grow. It is never the same. But that helps us to learn to trust God, and lean into his plan.

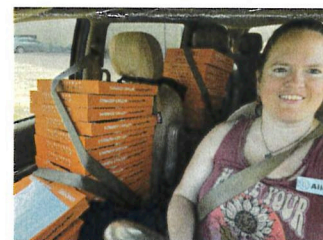

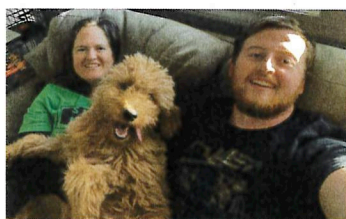

In April, the board decided that we would no longer pursue the Lodge project which was a large \$7 million+ multi-story hotel style building. Instead, they decided to go with a single story \$1 million motel style building which will provide some much needed updated guest housing. We started fundraising, and planning for it. In the span of a month, God provided enough for the entire building! It was amazing! Now we actually have the funding for 2 buildings which will be called the Lakeside Halls. This project has been a learning and growing experience. There are so many details and moving parts. Site prep is underway as we wait for all of the correct permits and paperwork to go through. Lord willing, at least one of the buildings can be done by the end of next summer. It is awesome to see the camp continue to grow and thrive.

This year has been hard. We have a new executive director and several new managers. Our new Executive Director, Barry Holbrook, has experienced some serious health issues this year. He is doing much better, praise God! In May, the lady that Alicia had been training to take over as finance manager resigned. God was calling her elsewhere. So Alicia now again has both the finance manager and associate director roles. It is overwhelming to try to balance both. Please be praying with us that God will provide someone to come take this position. She

also did not have a coffee shop lead, so had to step in for many shifts this summer. Alicia's theme for the summer was unfailing trust in God. She definitely had a lot of practice in that area. :) We had 2 power outages with campers here. We were able to get everyone fed with some creative solutions. The day before Senior High camp started, we had a big storm with 80+ mph winds that knocked down several trees

and rearranged the water toys. Praise God for minimal damage to buildings. Through all the obstacles that Satan threw our way, we as staff may have been fazed a time or two but God was not surprised. We had many things that were breaking and closing down, but we were able to build, fix and move forward with God's provision. Over the summer, Thomas had 25 summer staff that reported to him. He is enjoying his job as Recreation Manager, working on getting all 40+ rec options that camp offers updated and running well.

This summer, we had record numbers of campers at our three big youth weeks: Senior high, Middle school 1 and Middle school 2. We had over 400 campers each week! Over 200 kids gave their lives to Jesus, and over 100 got baptized. Praise God! We are so blessed to be a part of this ministry that changes so many lives. One person getting saved makes all of the stress and hard work worth it. It was a hard, good, crazy, successful summer.

We just celebrated 2 years of marriage! We have faced a great deal of challenges and adventures both at camp and at home, but God is so good. We have had some amazing blessings: our garage is finished, God provided a golf cart and a truck, and we were able to take a trip in March together to get away and process. We have also had some heartbreaks: Alicia's grandpa passed away, and Thomas's parents got divorced. Through it all, God is our strength and comfort. He is our Foundation and our Provider. We dog-sat a great pyrenees named Molly for the summer. She and Ranger had great fun together. We were thankful that Ranger had company while we were so busy.

We have been overwhelmed with your generosity and God's blessings. Would you pray about joining us in our ministry with prayer and/or finances? Maybe you have been a part for years, maybe you are just starting, wherever you are, we deeply value your prayers and financial support.

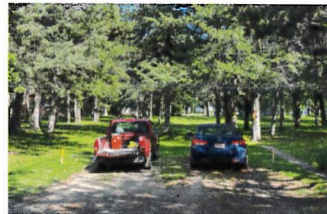

Prayer requests:

- Someone to take the finance manager role
- Our family as we process Thomas's parents divorce
- Continued growth of camp
- Financial provision
- A strong, God-centered marriage

In His Service,

Thomas and Alicia Most

Therefore, I urge you, brothers, in view of God's mercy, to offer your bodies as a living sacrifice, holy and pleasing to God - this is your true and proper worship. Do not conform to the pattern of this world, but be transformed by the renewing of your mind. Then you will be able to test and approve what God's will is - his good, pleasing and perfect will. Romans

12:1-2

Thank you for your prayers and support :)
