Unleashing the Power of the Gospel Through National Ministers in Haiti and Mexico

Keith Singer
General Dir.

“Continue earnestly in prayer, being vigilant in it with thanksgiving;...” -Col. 4:2 (NKJV)
This time of year, the theme of Thanksgiving is on our minds. One of the most exciting holidays on the calendar, Thanksgiving carries a special importance for the Christian. We truly have so much to be thankful for! In this edition of the Grace Mission Newsletter, we’re taking a moment to give thanks for some special blessings. Whether you celebrate the holiday in October or November, it is always a good time to Give Thanks!

Giving Thanks...

The Churches Today, there are forty-four churches in Haiti and five in Mexico that belong to the Grace Mission Fellowship of Churches. Each church represents a congregation made up of men, women, and children who have placed their faith in the Savior.

Our Grace Mission Leadership Teams • Grace Mission is greatly blessed to be represented in both the USA and Canada. We are honored to work together as a team for the furtherance of the Gospel in Haiti, Mexico, and beyond. Both leadership teams represent hours of prayer, dedication, and caring fellowship.

Haiti Orphanage Ministry • God has entrusted us with the task of caring for and raising up children who have no one else to care for them. We are delighted to see the young men and women who have graduated from the orphanage and are honoring the Lord with their actions. We are excited to see how the Lord will guide those currently going through the program.

Mexico Medical Ministry • God has graciously given a variety of skills to our team in Mexico. Among those are the medical skills that have been used as tools to help people physically and spiritually as the medical procedures always come with a clear presentation of the Gospel of God!

Character Training • This year marked five thousand men, women, and youth who have been trained through our character ministry over the ministry’s fifteen years of operation. Tidor, Guito, and several others have been actively involved with this ministry for many years and we have seen many Christians grow in their faith in God!

Senior’s Home • James 1:27 instructs believers to care for orphans and widows in their distress and in addition to the orphanage, we are honored to care for several seniors who have nowhere else to turn.

Mexico Church Plants • In several villages near Oaxaca City, disciples are being made and the church of Christ is being built. We have over half a dozen villages where we hope to continue church planting projects.

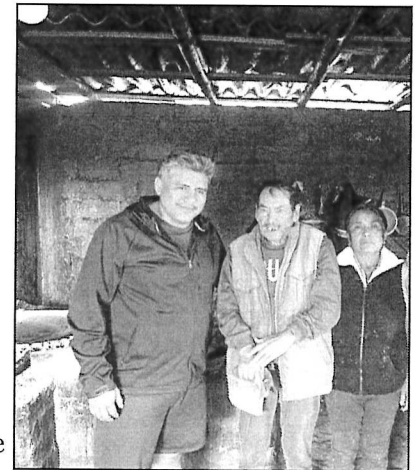

Home Office Staff & Volunteers • Both in Canada and the US, we have bookkeepers and other helpers who get to work recording information, preparing newsletter mailings, and assisting with day-to-day operations. Their assistance is an absolute blessing and allows us to keep going!

Creative Skills of the Saints • In both Mexico and Haiti, our team has been blessed with many creative skills and talents. Cooking, carpentry, artwork, music, and many more are skills that God has allowed our missionaries to use in the process of evangelism and discipleship.

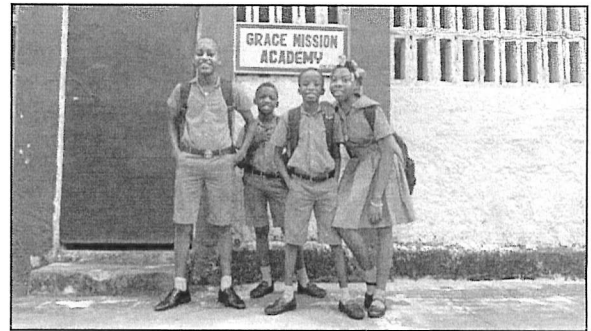

Teams • Every year, several teams travel to the field and share in the Gospel work. Often, these teams will work on construction projects and assist with teaching and evangelism events. Doing repairs, adding on to existing infrastructure, and even starting new buildings are all things that teams have accomplished over the years. On the discipleship side of things, helping with Vacation Bible School, putting together sports outreach events, teaching in the churches, and much more are regular activities for team members.

So Much More • This is not an exhaustive list. Be assured that the list of

Orphanage Students

Recently, classes started for our orphanage students. Grace Mission Academy continues to provide schooling for the Senior Class of 2025 and the Drop of Love School provides schooling for the younger group. We are excited to start another year and eager to see what the Lord has planned for these young people. **Please pray for them as they continue to rely on the Lord for strength, wisdom and courage.**

Oaxaca Team Retreat

In October, we were privileged to assemble a time of refreshment and planning for our Oaxaca Team. In Mexico, it is very difficult to find a retreat for ministers so we decided to start our own. The theme was “Encouragement, Renewal, and Vision.” It was a blessed time of fellowship and discussion around the Word of God. It is a privilege to serve alongside such an excellent team!

During the retreat, we discussed the directions of each church ministry. Plans were made and prayers were said as the team came together to discuss the Lord’s plan for each of the ministries represented.

While there, we met a young man who took a pause to listen to a Gospel presentation. Even though the team was “on a retreat,” that didn’t keep them from proclaiming the Good News to others who haven’t heard. After hearing the Gospel, this young man placed his faith in Christ for his salvation. **Praise the Lord!**

La Luz VBS Trip

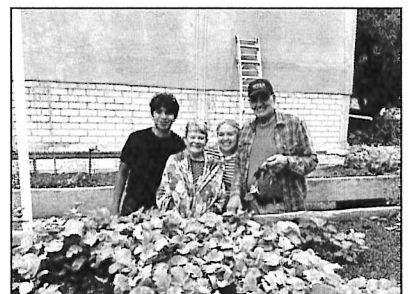

Due to problems with the weather, the initial VBS plans for the church at La Luz had to be postponed. Thanks to God, a team from Lluvias Church has been able to travel to La Luz to complete this task. Many donations from the people at Lluvias Church were received for the ministry in the village of La Luz. The generosity of the saints and the willingness of so many to go and serve in the village is a blessing!

Iglesia Hogar News

It has been a full month for David & Karina Lopez and the Iglesia Hogar—Home Church ministry. David celebrated his 44th birthday which was a great time of joy and fellowship with friends and family.

During a recent visit to Adequez, David and Karina were able to pray with Juventino and Catalina, a couple in need of help. Over a year ago, a tree fell on Juventino and struck his head. This has caused many health problems and other challenges. Please remember this couple in your prayers!

Administration Costs Policy

* NO administration - 100% of gifts are applied to the project or personal support of our workers.
