

Dear Family and Friends,

“There is a friend who sticks closer than a brother.” (Prov 18:24b)

May I take this opportunity to express my gratitude to each of you. Whether it was your prayers, your thoughtful acts of kindness, your continued financial support throughout these months, or other ways you have in some way reached out to me, each has been and is appreciated.

The Addendum to the Nobonob Bible has been completed and is ready to be printed. Those changes to the printed version of the Nobonob Bible have been made in the digital copy of the Nobonob Bible, and June 19<sup>th</sup> has been set for the dedication to occur.

It is a difficult decision, but at this point, due to health issues, and age considerations, I am not planning to go and attend the dedication. Please pray with me concerning this decision. I plan, however, to continue to be involved as needed to get the Nobonob Bible into the hands of the Nobonob people. Upon completion of that, I will need to consider retirement issues, etc. (If any of you would like to consider going to the dedication, please let me know and I will send you the email address to contact regarding Wycliffe's information concerning traveling.)

Please be in prayer, not only regarding all the material details surrounding the dedication, but also that any efforts by the evil one to bring disruption to the planned dedication will be thwarted.

I will plan to be in touch again after the dedication. In the meantime; “The Lord bless you and keep you; the Lord make his face shine upon you and be gracious to you; the Lord turn his face toward you and give you peace.” Numbers 6:24-26
