

November 25, 2025

Dear Missions Committee,

This year has been one of steady growth for our family. Bennett and Brooks are becoming more independent and imaginative every day, and Lori continues to be a thoughtful support to our boys and many other homeschool moms. This year challenged me to take bold steps of faith—in work and in life—and I'm amazed as I look back on all God has done.

I'm excited to share a major ministry update: **I've just been given the green light from Brad Bright—son of Cru's founder, Bill Bright—to create a new edition of the *Knowing God Personally* gospel booklet!** This tract has the same core content as *The Four Spiritual Laws*. These two booklets have been translated into over 200 languages, hundreds of millions of copies have been printed worldwide, and through them millions have been introduced to Jesus.

I'm honored to lead the design efforts to create a conversational edition of *Knowing God Personally* that doesn't change any of the theological content that Dr. Bright published in 1965. I look forward to how God will use it to motivate and help today's youth to have authentic conversations about Jesus and continue to bring hope to the hopeless around the world.

Lori and I are deeply grateful for your prayers and support. You make it possible for us to help missionaries reach the lost and for young people to encounter the life-changing message of Jesus. As the year comes to a close, we need to raise **\$8,000 in year-end gifts** so this work can continue, and this new evangelism tool can move forward.

Missions Committee, would you prayerfully give an extra, year-end gift of \$50, \$100, \$500 or some other amount? If you would, please use the response card and envelope to mail a check made out to *Cru* or give online at www.give.cru.org/0474120.

Lori and I are so thankful for you and your desire to see missionaries equipped and for young people to experience the life transforming love of Jesus Christ.

Thank you for being in ministry with us!

Barry and Lori Warren
