*“Unleashing the Power of the Gospel  
Through National Ministers in Haiti and Mexico”*

**February 2026**

*“Therefore be imitators of God as dear children. And walk in love, as Christ also has loved us and given Himself for us, an offering and a sacrifice to God for a sweet-smelling aroma.” —Ephesians 5:1-2. (NKJV)*

Why do we walk in love? To put it another way, why do we have the good interests of others on our minds, instead of focusing constantly on ourselves? When we go out into the world and interact with those we meet, why do we seek their good in front of our own? What motivates us to be different?

This set of verses from Ephesians provides us with a key reason: Christ has loved us and given Himself for us! What a wondrous blessing of joy our Savior has provided! In response, let us be quick to imitate Him, walking in love toward Him and others.

### Answering the Call to Service

Lluvias Church

We are glad to announce the enrollment of several students into our Mexico Missionary Training Program. Several months ago, a group of men and women stepped out in faith and answered the call to further their Biblical training. Today, they are attending online classes from Rio Grande Bible Institute in Texas. We are grateful for their commitment to learn and are excited to see what the Lord has in store for

them and their potential future in ministry! We desire that they would become further prepared for their present and future ministries, potentially expanding our Mexico Team in Oaxaca down the road. Upon completion of the Rio Grande program, they will serve as interns in their local church, building their knowledge and skillset for the work of the ministry.

Alamos Church

With the enrollment process complete and classes in session, we now ask for your prayers as they step into this challenging, yet rewarding, journey. Every student has family, work, and other commitments already on their schedule. So, their time will be at a premium, making life especially challenging. As part of the program, Grace Mission will support the students by providing the funds necessary for education. At the same time, we require that each student serve in the church they attend, giving back to the work of the ministry.

Iglesia Hogar Church

The list of students for this year, 2026, is as follows: Hector, Omar, Victor & Vanessa (Lluvias Church), and Dr. Chely (Alamos Church). Grace Mission missionary David Lopez will also be taking classes in order to further his Biblical training, and several others are pursuing various local

training programs hosted by Grace Mission churches.

Would you join us in prayer for these students as they enter this challenge? Will you pray for wisdom, strength, and courage for each one? Would you consider financially supporting their education? As the Lord continues to open doors for the Gospel in Oaxaca, we are grateful for those who have answered the call to make disciples!

### Character Conference Ministry

The recent Character conference took place in the village of Mapou, in Northern Haiti. 51 students participated, and all were thankful for the opportunity to attend the conference, receive Biblical training, and receive written materials for spiritual growth. Teachers Tidor and Guito enjoyed leading the conversations, which focused on themes such as evangelism, influential leadership skills, and godly family living. We are so grateful for the opportunity to host this 69th Character Conference!

## Ciro & Juanita Perez—Lluvias & La Luz

WE PRAISE GOD for all He has done in the past year, and ALL He will be doing this next one. As we enter 2026, we are full of enthusiasm as we seek God and follow His leading. This month, we have already enjoyed a special meal and many piñatas as part of the new year celebration at the Lluvias de Gracia Church. As we begin with Bible studies and activities, we are delegating more of our responsibilities, knowing that God will continue to raise up leaders. We need to walk alongside them before letting them go on their own. Our goal is to raise leaders who will help us expand His Kingdom in Oaxaca and beyond.

There are 5 women who meet regularly for the Viguera Bible study. The

ladies who come from Viguera to the Lluvias de Gracia Church travel an hour and a half or more to church each way on buses and public transportation. They are happy to meet during the week at one of their homes for Bible study. Please pray as they invite others to come and join this Bible study. Brenda, one of the single moms from Viguera, has brought her parents to church twice since the beginning of the year. Please pray for Brenda and her three children, as we see leadership qualities in her, and as she witnesses to her parents and the rest of her family. At our first Bible study in Viguera this year, Brenda expressed, "We need to start a church on this side of town, because I couldn't fit everyone in my car for the Lluvias Church Christmas program." Is this where God is leading us in Viguera?

La Luz was cold and rainy on our last visit, but full of laughter and food, and learning together. Please pray for this small pocket of believers, tucked away in the Continental Divide Mountains. The village has decreased from 300 people 8 years ago to 150 people now, after many having left the village in pursuit of jobs and other opportunities. Please pray for us as we continue to reach those who remain in this town.

Please Pray for: • Leaders • Vision for Viguera • Vision for La Luz • Rio Grande Bible School Students • Strength for Ciro and Myself • Healing the Wounds of the Hearts program.

Praises: • We spent Christmas with our three daughters • Fellowship opportunities at La Luz and Lluvias.

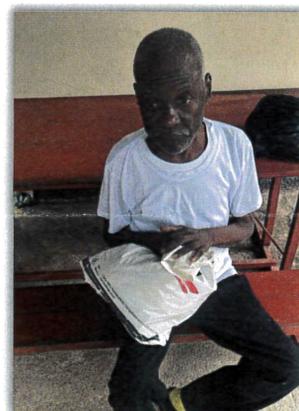

## The Lopez Family—Iglesia Hogar

The start of the new year has been a busy time for the Lopez family. They have experienced many travels, with both David Jr and Elisa traveling to and from the States for various needs. Elisa has returned to Wyoming

for another year at Frontier School of the Bible. David Jr. spent time with friends in Nebraska, serving in a local church there.

In January, three children at Iglesia Hogar, Adriana, Jorge Jr., and Angeles, placed their faith in Christ! Their father, Jorge, and mother, Rosi, became believers last year. Praise the Lord for this tremendous blessing! He is powerful to save! Please pray for this new family in the faith!

## Senior's Home News

Over the course of the winter, several of our residents have gone to be with the Lord. Our current residents are Marrian, Michel, Felix, Luicien (Not Pictured), and Pierre (Our newest resident). We are so grateful for God's provision in allowing us to serve these seniors by providing lodging, food, medical care, and more. Because of your generosity and prayers, we are able to care for those who have nowhere to turn. We continue to look after those whom God has placed in our care, and search for others who could benefit from our Senior's Home Ministry. *Thank you for your support!*
