

Psalm 59:17 "You are my strength, I sing praise to you;"

What a joy to serve the Lord. In April I taught and shared at a missionary Conference in Montezuma, KS. Then I went to our International Headquarters to be part of a training team for National Directors Institute. What a wonderful 16 days there, with 13 students from 13 countries! Also took a nice little vacation to Baltimore to visit friends early April! What a beautiful springtime - God's glorious creation! Wonderful April and May!

Now I am preparing to leave on another trip to the Marshall Islands, leaving June 10 and arriving home on June 28, I will be helping in a Christian Youth in Action there. Looking forward to being there with the missionary and the young people. It is a long trip there and back with layovers, so would appreciate prayer for endurance on the trip, and guidance in teaching.

Thank you for praying and supporting,

Rejoicing,
