*"Unleashing the Power of the Gospel
Through National Ministers in Haiti and Mexico"*

September 2026

• Summer Ministries Special Edition •

*"Forever, O Lord, your word is settled in heaven.
Your faithfulness continues throughout all generations; You established the earth,
and it stands." —Psalm 119:89-90 (NASB)*

The finality of God's Word is a great source of encouragement and hope. He has not made any mistakes or changed His mind on what should be written. Instead, we have the sure Word of God that has been settled by its all-knowing, all-powerful Author. His wisdom is perfect, and His plans are pure. How awesome it is to read, study, and follow the Word of the Lord!
And how great is His faithfulness! Let us consider His faithfulness daily, as we depend on His perfect goodness. Let us praise our Faithful and Powerful God!

Vacation Bible School in Mexico

Vacation Bible School took place last month in our Oaxaca churches. Some VBS programs followed a traditional day-to-day setting while others took place as a larger single event. For David and Karina Lopez, this meant gathering the congregations of Iglesia Hogar and Adequez together for a special family-oriented worship service in the nearby village of Huacilla. David shared, "Please join us in prayer for the families of everyone involved in Iglesia Hogar's ministries. In the end, we all returned happy and grateful to God for this time of great blessing. We all thank Grace Mission for its support of these types of activities."

VBS in Álamos!!

Thanks to your support and the church in Mississippi, we were able to hold VBS this summer. We had 23 children and 6 women with young children attend. The theme was "Exalted." This year, an activity was planned for the women who usually only accompany their children and watch the activities, so we continued to have a lesson and a craft activity for the moms. —The Vasquez Family

Vacation bible School in Haiti

3,324 children; 40 churches; 169 children making professions of faith in our Wonderful, Merciful Savior. This is Vacation Bible School in Haiti. What can we say? God is good! Between our VBS and youth ministries across Haiti and Mexico, nearly 4,000 young people heard the Word of God faithfully taught, some being exposed to the Good News for the very first time. Whether they came as Christians desiring to learn more about the Lord, or whether they came without any idea of who Jesus is, all who attended these events were surely blessed by the teaching of the Word of God!

Youth Camp 2026: "A Generation That Makes A Difference"

This year, the Grace Mission National Youth Camp focused on Matthew 5:16, which reads, *"Let your light so shine before men, that they may see your good works and glorify your Father in heaven."* (NKJV). Over 150 youth participated in the 5-day event, arriving from various towns and cities across Northern Haiti. We even hired a bus to transport the crew to and from certain activities! With great food, sporting activities, and daily Bible devotionals, the Grace Mission youth camp is always something to look forward to from both a temporal and eternal point of view. Several central topics were covered, including God's design for Biblical marriage and Biblical stewardship. In addition, several courses in the fields of medicine and art were introduced. In this way, youth walked away with increased capabilities for daily life, and most importantly, Biblical instruction!

Please pray for the Christian youth in Haiti, that they would be knowledgeable and courageous in being lights in the world around them.

Conferences in Haiti

Each year, we host several ministerial gatherings for our church leaders at our headquarters in Limbé. We have a conference for the pastors, a general assembly, and a meeting for the women who lead ladies' ministries. It is always a good time of blessing as the Word of God is proclaimed and our church leaders are encouraged by further training in the Truth.

Additionally, there is always good food and excellent fellowship. *"Behold, how good and how pleasant it is for brothers to live together in unity!"* (Psalm 133:1, NASB). In this case, it is good and pleasant to see brothers and sisters in Christ be encouraged together for the work of the ministry. Thank you for your support in these efforts!

Ghana Trip Report

God's provision is bountiful, and a recent event involving a young man from Lluvias Church in Oaxaca demonstrates that in a beautiful way. Raphael has suffered from a severe cleft palate condition his entire life. Due to the abundance of God's blessings and the generosity of His saints, Raphael was able to travel to a specialist clinic in Ghana to seek help. Ghana is home to a specialist clinic that could provide the medical care Rafael needed and was the best option for care. After about a month in Ghana full of doctor's visits, tests, a major surgery, and a bit of time for some adventure in between, Rafael has returned home with his mother and other traveling companions. The outcome? For the first time, Rafael has a sense of smell, and his speech abilities have significantly increased. We are grateful to God for His marvelous provision for Rafael, and we are humbled that we could be a part of this tremendous story of blessing. Please pray for Rafael as he continues to recover and will be doing speech therapy in the coming days. Praise God for His goodness!
