September Update

After two eventful months in July and August, we are looking forward to a busy fall.

Biblical Ministries Worldwide Leadership Conference

In July we got to be at the yearly Leadership Conference of Biblical Ministries Worldwide in Stuttgart. It is a field conference and gathering for all missionaries in Europe.

We were encouraged to meet some of the older missionaries serving in Europe for over 30 years. The longest-serving missionary has been with BMW for over 50 years. It is humbling to witness this and to also have been directly trained under the example of the faithfulness of Dr. MacArthur. Praise the Lord for all those who kept the charge. 2 Timothy 2:15 *“Be diligent to present yourself approved to God as a workman who does not need to be ashamed, accurately handling the word of truth.”*

During sessions the kids had their own program by a team from Kansas who came to help us throughout the conference.

We had nice ice-cream dates with the girls between the sessions.

Oroszlány Baptist Church

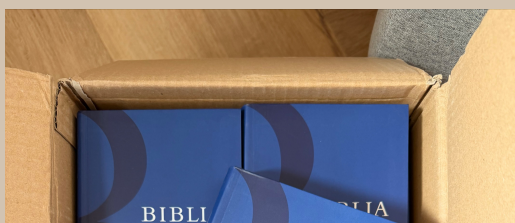

At home, we caught the last day of the Biblical Relationships Conference organized by a local Reformed Baptist Church. We heard topics on marriages and singleness by Don and Cindy Currin from friends at HeartCry Missionary Society.

In July, Mike was given the opportunity to regularly begin teaching at a local care home in Oroszlany. He will be teaching once a month, taking turns with pastor Marton. Mike's schedule also involves meetings, discipleship with two brothers this fall, and evangelism downtown twice a week during lunchtime.

Grace to you in Europe graciously supplied Mike with a full set of the MacArthur Commentary Series as a gift. It is special to receive such a valuable gift (on Mike's 40th birthday). We are looking forward to working with GTY in the near future. In Hungary, there is a lack of clarity about Biblical inerrancy, expository preaching, and biblical doctrine even amongst Evangelical Bible-believing circles.

We are thankful for GTY and TMAI and their labor in Europe. Much has been accomplished, and yet, we are excited to see more harvest.

We praise the Lord for the gift of \$500 from a brother at Mesa Hills Bible Church in CO, for the purchasing of Bibles for evangelism.

We are so thankful for our home church, Christ Fellowship Bible Church in Saint Louis, and for the gift of 20 beautiful pew Bibles.

Family

We had a restful summer. The heat was pretty close to the Midwest-type here in Europe. After the conference in Germany, we drove down to Rome to meet with one of the missionaries from GMI. Unfortunately, we had to reschedule, but God has blessed us with a wonderful time discovering Rome.

We escaped the heat at the St.
Peter's Basilica

After 11 months, we feel more familiar with Hungary and settle into ministry. The kiddos enjoy their new surroundings and life. It's great to have the grandparents close-by and spend time with them. We are thankful for the Grace Academy books from Grace Church in Los Angeles, which are great help in homeschooling. We started up homeschooling with Rebecca in August. She is in her 2nd grade now. Lilly enjoys tagging along and playfully chiming in. We are observing Rebecca's growing interest in the Lord and her desire for His Word. We marvel at God's grace, we encourage her as we pray for her to have fruit. Ezra turned 6 months old, and he is now almost crawling. Pao and I are so grateful for our marriage in God's grace. We enjoy our times together and each evening in the midst of life and ministry after each day.

We are so thankful for all of you! We are humbled by your thoughts, kindness, and generosity toward us here in Hungary. We could not minister here without your financial support and, most importantly, your prayer support, which is our sustenance.

Romans 15:13

How you can pray

1. We are thankful for God's grace as we look back on this past eleven months in Hungary. As we enter into a busy fall with much traveling, ministry work, and studies for Mike, please pray for uncompromised faithfulness in all our tasks.
2. Mike began continuing his Mdiv from TMS/EBTC. The aim is to finish up and be able to better train and qualify men for pastoral ministry. Please pray for him to navigate through studies, ministry responsibilities, and family responsibilities amidst all.
3. Pao is progressing in her Hungarian studies while she is busy running the home and homeschooling Rebecca and Lilly. Please pray for grace in this area, for strength physically and spiritually.
4. Oroszlany Baptist Church has gone through a challenging time in the recent months. Please pray for the church, for unity, for growth, and maturity. We desire to be useful in aiding and supporting the church where we can for the glory of Christ.
