October 2026

Serving as International Representatives for UIM (www.uim.org) and Adjunct Faculty & Staff, Frontier School of the Bible (www.frontierbible.org)

Dear Faithful Support Team,

We are thankful for:

- You and your encouragement, prayers, and financial donations to UIM.
- UIM International's 70th year of ministry and the 70th Anniversary Conference. Pray for wisdom and vision for the next decade of ministry.
- The purchase of the 26' 2018 Winnebago Intent Class A motorhome and for the funds for new tires from our sending church. We have already stayed in it for thirty-one nights! Another UIM missionary couple became the owners of our former motorhome.

- A full schedule of representative meetings and safety in travel. We continue to pray the Lord of the Harvest to send out more laborers.
- The 2026 – 2027 Frontier School of the Bible school year is going well. Warren serves as the Director of Internships for men interns, the Placement Director, and teaches a few subjects within three mission classes. We continue to mentor a few students, present UIM short-term and long-term ministry opportunities, encourage the FSB faculty and staff, and interact with visiting missionaries and guests.
- Health and strength. This coming summer we anticipate celebrating our 48th wedding anniversary and 70th birthdays. We need wisdom as we evaluate our pace of life and ministry.

With thankful hearts,

Warren & Carol
