• Give Thanks to the Lord! •

**"Oh, give thanks to the Lord, for He is good!
For His mercy endures forever."**
—Psalm 136:1 (NKJV)

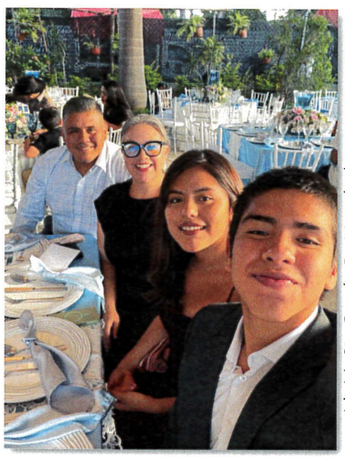

In this second part of our "Thanksgiving Edition" of the Grace Mission newsletter, we continue to pause, introduce our missionaries, and invite them to share their own expressions of thanksgiving. We hope you enjoy reading about these faithful men and women and will join them in thanksgiving to our gracious God!

Carlos & Sara Vasquez

Carlos and Sara have served with Grace Mission for nearly twenty years. Carlos serves as the pastor at Alamos Church, and Sara continues to serve as a doctor with a medical ministry, Casa Compasiva (Compassion House). This year, Carlos and Sara were overjoyed to welcome their third granddaughter, Reyna, into the world. They are also grateful for Sara's opportunity to take classes that will increase her specialized capabilities as a medical provider. Carlos and Sara thank the Lord for His faithfulness in upholding their family and ministries.

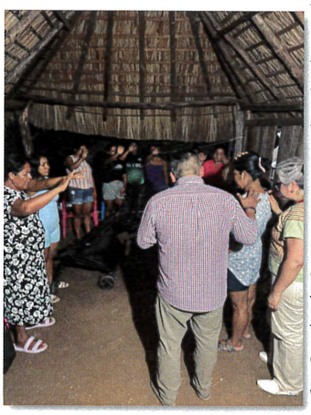

David & Karina Lopez

David and Karina serve with several Grace Mission churches in Oaxaca. David pastors Iglesia Hogar (Home Church), and assists with leadership in Adequez, a nearby mountain village. He also leads the newly planted church in Ventanilla, a small village on the coast of Oaxaca State. Karina serves alongside him and is known for her cooking-class ministry and ability to encourage many in need. David and Karina are especially grateful for God's help during difficult times and for the wonderful results of the furtherance of the Gospel. After eleven years of service and counting, the Lopez Family is grateful for God's faithfulness and for everyone who has personally invested in their lives.

Church Plant News

God is always good, and we are seeing clear evidence of that in several key areas of our ministry. One of those areas is the area of church planting. We have an active church plant in the village of Ventanilla, where a group of over a dozen believers meets regularly to spend time in the Word, fellowship, and prayer. In Viguera, a neighborhood of Oaxaca City, a Bible Study group has formed and is growing consistently. The gathering in Viguera is in its beginning church plant stages. In Haiti, needs for churches exist across the country, and there is still an urgent need for a building for the church in Maissade. Praise God for these new local churches! It is so exciting to see the Gospel going forth in strength and to watch new Christians grow in their faith!

Mark & Stacy Perez

Stacy has served as the Grace Mission Bookkeeper at the GMI Home Office for nearly five years. She and Mark have been a profound blessing and continue to help keep things running smoothly at the home office. Stacy shares, "I am thankful that our Savior is close and that I can talk to Him anytime, anywhere, about anything. I am thankful for my family and that God is working His perfect plan in their lives. It is encouraging to see Him work."

Mr. Judenel

Judenel is a recent graduate of Grace Mission Academy (Class of 2025) and is a leader in the Children's Home and Seniors' Home. He completed his first year of trade school this year and is currently taking more classes to further his education. Judenel is grateful for the Lord's provision of a job and good education. He is thankful for the Lord's goodness as he moves toward his future goals.

The Singer Family

The Singers have served with Grace Mission for over three years. Keith serves as the General Director of the mission, and his wife, Claudia, and the kids join in by traveling, volunteering at the office, making goodies and coffee drinks, and just being there as part of the family team. "This year, I am particularly grateful for God's provision in the startup of the Aquila & Priscilla Institute ministry in Haiti, and for the six missionary candidates now training for Team Oaxaca. I am thankful for the faithfulness of God in my family and in the work of the ministry, through the ups, downs, and in-betweens. God is so good!"
-Keith for the Singer Family

The Williams Family

Peter and Bethany Williams have served with Grace Mission for several years as stateside logistics coordinators for Haiti. They have assisted with a variety of projects and have become central to our communications and planning in the field. This year, they express gratitude for the health of their family this past year and for God's daily provision.

Haiti HQ Maintenance Projects

Earlier this year, we traveled to our Haiti Headquarters to work on several projects. Although we accomplished much, there are several repairs that still need to be done to maintain effective operations. Our primary vehicle, a Toyota Hilux pickup, needs specialized parts and repairs, and we need to purchase several parts for our purified drinking water system. We would also like to enhance our internet capabilities for pastoral training and API classes. Would you consider helping out with these projects? Thank you so much!

"Thanksgiving be to our God!"
